Controlled Substance Application Checklist

Please have your customer fax all completed information to Compliance at 877-396-5751 or email to customerquestionnaire@andanet.com.

The following are the requirements for a customer to be eligible to purchase controlled substances from Anda:

1. Customer Questionnaire- All requested information on each page to be provided by the customer.

2. SOPs (Standard Operating Procedures) - The customer is to review the list and provide the requested information for items 1-4.

3. Sample Dispense Report- See the attached Sample Dispense Report.

4. Pictures- The customer is to provide at least 2 pictures of the inside of the pharmacy including the counter area, and at least 2 pictures of the outside of the pharmacy including the front and back of the building.

Additionally, customers may be asked to complete Supplemental Questions as attached. Please ask the customer to provide as much detail as possible in order to enable a complete review of all appropriate information.
